Freight Cost Reduction
(CONTIGUOUS USA ONLY)
Here at Dorfman, we are constantly looking for new ways to improve customer value and satisfaction. This includes periodically reviewing the many costs associated with our business, and yours. We are very pleased to share that we have renegotiated our contracts with FedEx and have been able to significantly reduce your cost for parcel shipments. As a result, effective immediately we are passing these savings directly on to you, the customer. We estimate your savings will be as much as 50% less than what you were previously paying depending on your zone. This cost savings initiative not only gives you a tremendous value, it also reflects our commitment to your customer satisfaction.

Additionally we are consolidating more boxes to reduce the box count wherever possible without damaging your merchandise. We are also shipping orders with a box count over 20 boxes or with racks via LTL freight. LTL rates are lower than FEDEX if you receive pallet shipments.

Should you have any questions or concerns regarding this matter, please contact Dorfman-Pacific at 1-800-367-3626.
