Engineered with brilliance, Biltmore has created a 100 year old legacy handcrafting the most beautiful hats ever made. High standards of production and masterful design have been our signature on every Biltmore hat since 1917. That is why every other maker compares their hats to the company that sets the standard — Biltmore.

The perfect silhouettes and rich feel of Biltmore hats are a result of master hatters applying their years of expertise, passion, and artistry to their work—each hat is crafted to the highest standards of quality. Our heritage begins with the world’s foremost hat makers using the best materials, and ends with the perfect blend of shape, colors, and elegance.

STOCK SERVICE
You will note the word “Stocked” next to the items that are available for immediate shipment. Simply call our toll free number, give the style number, color, and sizes to our Customer Service Representative, and we will ship your hats within 48 hours directly to your store. You may order as few as 1 or 2 stock hats without a surcharge.

CUSTOM HATS
Custom hats may require a higher degree of complexity and skill to create. You may choose to customize brims, crowns, linings, special dye bodies, and exotic materials. Minimum order is 6 dozen per style. Direct orders may be placed with customer service in Texas at 1-800-325-HATS.

LINE ITEMS
Non-stock hats take 6-8 weeks of meticulous care to produce hats to your exacting specifications. They are available as pictured in the catalog, and may be ordered in any quantity. However, orders of fewer than 3 hats will incur a nominal surcharge of $15.00 per hat.

SEMI-CUSTOM HATS
Semi-Custom hats incorporate customer-preferred details. These unique hats take our masterful artisans 8-12 weeks to create an original style from existing high-quality parts. Order 12 or more and avoid the $15.00 surcharge per hat.
